

GENEVA HEALTHCARE

POSI-BLOCK / POSI-COMFORT FOAM POSITIONERS

POSI-BLOCK® and POSI-COMFORT® positioning products have been aiding caregivers and servicing patients for a number of years. Geneva Healthcare is the exclusive manufacturer of this well-recognized brand.

- Carefully designed for optimum stability while in use
- Medical-grade, open-cell polyurethane foam “breathes” next to patient’s skin providing a comfortable cooling sensation
- Hypo-allergenic, radiolucent and flame retardant foam material (Calif. Bulletin #117)

POSI-BLOCK / POSI-COMFORT FOAM

IN-BED ARM ELEVATORS WITH STRAPS

- Ideal for pre op and post op arm elevation
- Positions arm above heart level to promote circulation and decrease swelling
- Adjustable straps for secure comfort and proper fit

PART NO.	DESCRIPTION	SIZE	QTY
505	In Bed Arm Elevator	13.5" x 8.5" x 14"	4/cs
P-505	In Bed Arm Elevator, Pediatric	10.5" x 6" x 10.25"	4/cs

POSI-BLOCK / POSI-COMFORT FOAM

IN-BED ARM ELEVATOR

- Ideal for reconstruction surgery of the hand and arm
- Provides elevation above the heart for proper blood flow, reduced swelling and promoting patient comfort
- Easy to use; will not slip

PART NO.	DESCRIPTION	SIZE	QTY
2000	In Bed Arm Elevator	16" x 13.5" x 12"	2/cs
P-2000	In Bed Arm Elevator, Pediatric	9" x 7.75" x 4.5"	2/cs

POSI-BLOCK / POSI-COMFORT FOAM

PRONE PILLOW

- Comfortably positions face and head in prone position with excellent ventilation from front and sides
- Convenient open holes for patient tubing

PART NO.	DESCRIPTION	SIZE	QTY
803	Prone Pillow	12" x 10" x 8"	4/cs

POSI-BLOCK / POSI-COMFORT FOAM

FOOT DROP STOP CRADLES

- Comfortably supports patient's foot and helps prevent foot drop, positioning foot in natural or dorsiflexion position
- Reduces rotation and elevates to prevent pressure sore formation
- Soft foam strap supports bottom of the foot
- Top of positioner opens for easy application

PART NO.	DESCRIPTION	SIZE	QTY
205	Foot Drop Stop Cradle	7.25" x 7.25" x 9.5"	6/cs
206	Foot Drop Stop Cradle	7" x 7" x 8.5"	6/cs

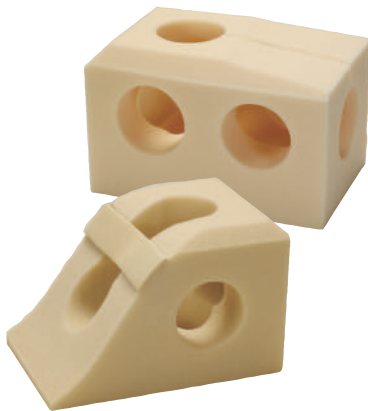

POSI-BLOCK / POSI-COMFORT FOAM

ANGLED FOOT DROP CRADLES

- Right cradle includes additional 22" hook and loop strap
- Strap connects right and left angled foot drop blocks together

PART NO.	DESCRIPTION	SIZE	QTY
205PHR	Foot Drop Cradle, Right	7.5" x 7.5" x 9.5"	6/cs
205PHL	Foot Drop Cradle, Left	7.5" x 7.5" x 9.5"	6/cs

POSI-BLOCK / POSI-COMFORT FOAM

FOOT CRADLES

- Provides foot support for neutral and post-surgical positioning with zero pressure on heel and malleoli
- Aids in foot drop and helps align ankle, knee and hip
- Air ventilation holes allow for foot to breathe

PART NO.	DESCRIPTION	SIZE	QTY
201	Foot Positioning Cradle	12.5" x 8" x 8.5"	4/cs
201B	Foot Positioning Cradle Hook/Loop Closure	12.5" x 8" x 8.5"	4/cs
202	Foot Positioning Cradle Open Foot with Adjustable Strap	12.5" x 8" x 8"	4/cs
203	Foot Positioning Cradle	10.5" x 8" x 8.5"	4/cs

POSI-BLOCK / POSI-COMFORT FOAM

ANGLED CAST ELEVATOR BLOCK

- Angled elevation leg support and correct positioning while encouraging proper circulation

PART NO.	DESCRIPTION	SIZE	QTY
503	Angled Leg Cast Elevator	10" x 13" x 11"	2/cs

POSI-BLOCK / POSI-COMFORT FOAM
LEG AND ARM CAST ELEVATORS

- Maintains proper pre op and post op elevation and support for arm or leg while helping prevent internal and external rotation
- Allows for proper circulation

PART NO.	DESCRIPTION	SIZE	QTY
502	Cast Elevator	15" x 10" x 8"	3/cs
P-501	Cast Elevator, Pediatric	12" x 5.75" x 6"	4/cs

POSI-BLOCK / POSI-COMFORT FOAM
LEG ELEVATOR

- Assists in stabilizing the patients knee and lower leg while promoting better circulation
- Foam strap holds foot in neutral position for proper positioning without heel pressure or leg stress
- Angled for comfort, elevated support and prevents leg rotation

PART NO.	DESCRIPTION	SIZE	QTY
504	Leg Elevator	21" x 11" x 8"	2/cs

POSI-BLOCK / POSI-COMFORT FOAM
BED SIZE ELEVATOR

- Elevates legs, lifting heels off sheet to prevent tissue breakdown; extends the width of the bed
- For use as precautionary pressure relief measure for bedridden, diabetic and general patient care
- Developed with wound care staff for optimal performance

PART NO.	DESCRIPTION	SIZE	QTY
706	Bed Size Elevator	33" x 15" x 4" x 2.5"	4/cs

POSI-BLOCK / POSI-COMFORT FOAM
HEEL AND TOE PROTECTOR

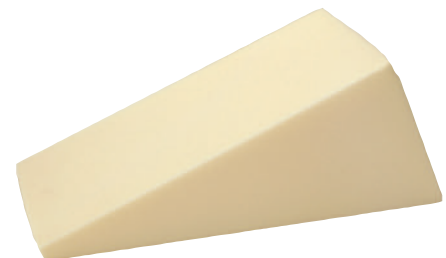

- Protects and supports the heel and ankle from pressure build up and friction
- Includes adjustable hook and loop straps

PART NO.	DESCRIPTION	SIZE	QTY
1304	Heel and Toe Protector	12.5" x 12" x 6.75"	6/cs

POSI-BLOCK / POSI-COMFORT FOAM
BODY POSITIONING WEDGES

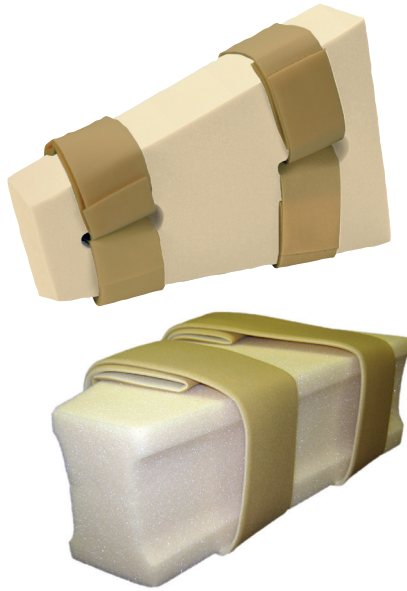

- High-density foam provides support, stability and elevation for patients
- Variety of sizes and angles available including pediatric

PART NO.	DESCRIPTION	SIZE	QTY
101	Positioning Wedge	23" x 11" x 11"	4/cs
102	Positioning Wedge	19" x 9" x 9"	4/cs
P-101	45° Positioning Wedge, Pediatric	12" x 7.5" x 3.5"	4/cs
1107	15° Positioning Wedge	20" x 20" x 7"	2/cs
1120	45° Positioning Wedge	20" x 20" x 20"	2/cs
1110	25° Positioning Wedge	10" x 20" x 20"	2/cs
1112	30° Positioning Wedge	12" x 20" x 20"	2/cs

POSI-BLOCK / POSI-COMFORT FOAM

LEG ABDUCTION PILLOWS

- Supports and aligns patient's legs even when patient is turned following total hip arthroplasty or pinning
- Helps prevent contractures
- Variety of sizes feature adjustable straps and flat or contoured leg channels

PART NO.	DESCRIPTION	SIZE	QTY
605L	Abduction Pillow, Flat Sides	23" x 15" x 5" x 6"	2/cs
601S	Abduction Pillow	18" x 12" x 6"	2/cs
601M	Abduction Pillow	23" x 14" x 6"	2/cs
601L	Abduction Pillow	25" x 15" x 6"	2/cs
602S	Abduction Pillow	18" x 12" x 4" x 6"	2/cs
602M	Abduction Pillow	23" x 14" x 4" x 6"	2/cs
602L	Abduction Pillow	23" x 15" x 5" x 6"	2/cs
602SC	Abduction Pillow Contoured Sides	18" x 12" x 4" x 6"	2/cs

GENEVA HEALTHCARE

**LIGHT CLOUD™
FOAM POSITIONERS**

Light Cloud™ ultra-thin polyurethane coating protection allows our traditional foam positioners to be safely reusable.

- Thin layer of coating helps foam remain soft and pliable during use for maximum patient comfort
- Maintains superior pressure relief attributes after multiple uses
- Easy to clean with 70% isopropyl alcohol or 10% bleach; should not be saturated

LIGHT CLOUD™ FOAM

RESPONSABLE HEAD POSITIONERS

- Designed for use in prone and supine positions
- Prone headrest 'step-design' allows for airway tubes and good caregiver visualization
- Headrest measures 3.5" at chin and forehead; outer wing height is 6"

PART NO.	DESCRIPTION	SIZE	QTY
50-200-03	Reusable Donut	9" x 4" x 2-1/2"	3/cs
50-400-00	Reusable Prone Headrest	9" x 9-1/2"	1/cs
50-400-03	Reusable Prone Headrest	9" x 9-1/2"	3/cs
